| ✓ Corporate Investigations | ✓ Insurance Claim Investigations | ✓ Background Verifications |
| ✓ IP Rights Investigations | ✓ Litigation Support Services | ✓ Corporate Process Services |

Corporate Risk Investigations

- » Sharp & precise vision to maintain corporate security
- » Conducting business verification & collecting information
- » Providing clear insight to make wise decisions
- » Strategic growth towards success

GREVESGROUP® has a dedicated team of seasoned investigators capable of conducting internal and external investigations into almost every aspect by giving paramount importance to Client's Company's Operations, ranging from its Sales, Marketing, Business Models, Trade Secrets, Employees, Confidential Policies, Key Strategies, Competitive Intelligence etc.

These investigations and the valuable results drawn from them hold utmost importance when it comes to taking key decisions for vital growth and betterment of any company. Our services are crucially important during pre-employment screening, examining employee misconduct, investigating harassment claims and illegal or improper activities. The overall purpose of Corporate Risk Investigations is to comprehensively cover and provide one stop solution for almost all forms of risk elements that revolve around a Corporate entity. These can range from simple HR related investigations to highest order Technical Investigations and Undercover operations. A list of all services provided in this segment is given below:

IP Rights Custom Protection Services: • Use of Informants • Monitoring of Domestic and International Markets • Monitor Wholesalers / Online Stores / Trade Boards / Internet • Expert Testimony

Insurance Claim Investigations

- » Unique & professional approach for each matter
- » Detailed case analysis & fast turnaround time
- » Descriptive incident summary & factual findings
- » In-depth verification & comprehensive reports

The biggest problem that haunts most of the insurance companies today is that of false and bogus claims. Imagine if you go to investigate a certain death claim and the deceased himself greets you on the door. It is a bare fact that Insurance Companies have been plagued and severely dented by losses arising out of such fake and bogus claims.

Insurance fraud investigators will help you uncover the truth and restores what is right. Moreover, it is becoming the major cause of financial losses to the insurance companies as people with tact's and techniques are using the fake and fraudulent claims to cheat the companies. We are assisting organizations linked with auto insurance, Health insurance, Loss adjusting organizations who are coming up with various requirements to find the better insurance investigation services.

GREVESGROUP®, through its team of expert investigators has so far been instrumental in unearthing many such bogus claims thereby saving millions for the Insurance Companies. Some of the most prominent Insurance Claims Processing groups have permanently retained the services of GREVESGROUP® for investigating and verifying high value Insurance Claims. Insurance Claim Investigations generally include Death Claim Investigations, Accident Claim Investigations, Theft Claim Investigations etc. A list of various Insurance Claim Services rendered by us is given below:

- | | |
|--|------------------------------------|
| ✓ Life Insurance Claim Investigations | ✓ Medical Claim Investigations |
| ✓ Accidental Benefits/Death Claim Investigations | ✓ Personal Claim Investigations |
| ✓ Property Loss Claim Investigations | ✓ Theft Claim Investigations |
| ✓ Travel Insurance Claim Investigations | ✓ Contestable Death Investigations |
| ✓ Third-Party Claim Investigations | ✓ Fatal Accident Investigations |

Litigation Support Investigations

- » Formulation of separate modus operandi for each matter
- » Ad-hoc investigative results for litigation support
- » Support of best investigative strategies
- » Analysis of crucial information

The most tangible support to delivery of Justice is a strong and fool proof evidence, and such an evidence can only be collected by way of hard core and in-depth investigation. No matter, whether our Client is The Prosecution or Defence attorney, we leave no stone unturned to dig up the truth and find the most crucial and clinching evidence in any matter so as to support the litigation to an extent where our investigative findings make the most crucial impact on the outcome of the case. Lawyers are generally hard pressed for time and rely heavily on investigative findings rendered by our experienced and seasoned hands. Most of the times, our crucial findings collectively form the edifice of a litigation and our Client's stand is vindicated because of the immense investigative support tendered by us. The Litigation Support Services provided by us are listed below:

- Background Research & Investigation • Asset Search and Recovery • Witness Identification • Location Tracing & Interviews • Expert Witness Testimonies • Background Research of Expert • Surveillance and Covert Investigations • Prison Visits • Serving of Judicial & Non-Judicial Documents • International Process Services

Special Investigations

Many a time, one faces an acute need for an in-depth and highly technical investigation. Be it a case of unethical business practices, competitive intelligence, a white collar crime or a family dispute, Special Investigation Services are required to be rendered by investigators equipped with relevant experience and technical knowledge to handle such investigations. Such Special Investigation could include anything ranging from capturing the manufacturing process of a product to forensic analysis. Our team of experienced investigators is well equipped to handle such investigations. We use the most effective methods to carry out such researches in order to find out accurate results while maintain the privacy. We continuously strive to help you to provide a consistently high standard of service and undertake the extensive enquiries.
